Missoula BCH

Youth scholarship to Smoke's packing class

Wild Horse Plains BCH

Our chapter presented a day with the Plains School 6th grade class where we demonstrated horse safety hands on as well as Leave No Trace with a good camp and a bad camp. Students learned safety and communication skills for horses thru on the ground and riding simulations along with grooming safety and finished with an inspirational demonstration.

BCH Flathead project chairman John Peine

We had a demonstration camp at the Family Forestry Expo for the 26th year. As all of the fifth graders from Flathead County come through our station we show them packing and horse safety demos as well as let them safely pet the horses.

Upper Clark Fork

We provide special awards to 4h youth horse packing projects. We also loaned our pack saddle and gear to one of our youth club members so she could show at the fair.
