Dear Vendor,

The East Slope Back Country Horsemen is hosting the Back Country Horsemen of Montana's state convention this year. This state convention happens every year at a different venue depending on which of the eighteen chapters of the state happens to be elected to host the event.

The East Slope Back Country Horsemen chapter volunteers hundreds of hours to maintain and help government entities with maintaining our public lands through trail improvements and education. We pack horses and often camp in remote locations so others can enjoy access to some of Montana's most beautiful scenery. We also work hard to educate the public about outdoor and conservation issues.

In order to ensure the success of this very important event, we are seeking vendors of businesses such as yours. Business's like you are the key to our organization's success. We hope that we can count on your support to help us with this worthy event. All vendors will be given recognition at the event as well as being listed in the program book.

This is a great opportunity to promote your products to a very diverse group from all around the great state of Montana. These conventions usually host two to three hundred people. We also host a banquet on Saturday evening with a banquet speaker and a live auction. We would be honored if you would take the time to attend our convention.

The convention will be held on April 1st -3rd, 2016 at the Holiday Inn 1100 5th St S, Great Falls, MT. Vendors can either have one booth or two consisting of a long table with skirting and any necessary chairs, tables will run \$50.00 each. If you need extra tables they are \$25.00 each. We also have some separate rooms available for those vendors that have more merchandise to display those rooms will run \$150.00 dollars for the convention.

The convention starts on Friday afternoon and runs all day Saturday and ending Sunday morning. Vendors usually setup on Friday afternoon and teardown sometime Sunday morning. If you can only make it for one day we would be happy to adjust for you, just

let us know. If you have any questions please give me a call or e-mail me. The number and e-mail is below.

Thank you for your time and consideration.

Sincerely,

R. Fred Fitzpatrick
